

Tanya Hearne-Keenan

We are excited to announce that Tanya Keenan will be joining our NBT Faculty, starting in Term 4, 2017.

Miss Tanya is one of Miss Kristy's first Ballet Teachers, Tanya was her inspiration for going on to dance full-time and into a professional ballet career. We are excited to have the students of NBT be guided and inspired by Miss Tanya too.

Tanya ran her own ballet school, Dance Unlimited, in Mudgee, NSW for 20 + years. She is a kind, caring and nurturing teacher who considers her specialty to be with younger students. The love and loyalty she garnered with the students and families of Dance Unlimited, as well as the great success of so many of her students, speaks to the quality of the teacher and mentor that she is.

Tanya has studied extensively in all genres of dance, specialising in Classical Ballet. Tanya studied Classical Ballet full time at The Halliday Dance Centre achieving outstanding results in all her exams and performances.

She then went on to establish Dance Unlimited in Mudgee where her passion for dance and love of teaching grew exponentially.

Tanya is a prestigious Royal Academy of Ballet Teaching Member and has proven to produce the highest calibre of dancers in classical ballet, musical theatre, jazz/street, contemporary and tap.
